

# Being Ready to Learn at All Saints

## When you come prepared

- You have the correct equipment
- You earn points
- Lessons start calmly
- Learning time is protected

 Being prepared helps everyone learn

## If you forget something

- You can buy equipment **during form time**
- Teachers will help you fix the problem
- You are expected to be ready for learning as quickly as possible

 Support is always available

## If you don't have equipment

- It is recorded for that day
- You are reminded of expectations
- You are supported to improve

 Every day is a fresh start

## If it happens 3 times in one week

- Your Pastoral Leader will contact home

 School and home work together

## If it continues

- Lunchtime and After-school detention

 Detentions are time to reflect and improve

## Remember

- You have the **Right to Learn**
- Teachers have the **Right to Teach**
- Being prepared helps you succeed
- Every lesson is a new opportunity

**Be Ready. Be Respectful. Let Your Light Shine.**
