Dear Parents and Carers,

With the weather forecast predicting very warm temperatures throughout this week, we will be making some temporary adjustments to our uniform expectations to help keep students comfortable during the school day.

Whilst the hot weather continues, students will **not be required to wear their blazers, jumpers or ties**. Can I remind parents that **students may wear plain black tailored school shorts** that are knee length **as per our current uniform policy**. Please note that sports shorts, chino-style shorts, branded shorts, or shorts with logos are **not permitted**.

We ask parents and carers to ensure that any shorts worn are **appropriate** and in keeping with our **school uniform standards**. Students who arrive at school **wearing inappropriate uniform items** will be placed in the **Emmaus Centre** until the correct uniform can be brought into school by a parent or carer.

To help ensure students stay safe and well in the heat, we ask that all students:

- Arrive at school with **SPF sunscreen already applied**.
- Bring a **full water bottle** to school each day to help them stay hydrated.

Please note that water is available from the canteen at **break and lunchtime only**. Students will not be permitted to arrive late to lessons or leave lessons during teaching time to collect water, so it is important that they bring a filled water bottle with them each day.

We will continue to monitor the weather conditions and will let you know when normal uniform expectations resume.

Thank you for your continued cooperation and support.
Kind regards,

Mrs F Lord
Headteacher
