CHRISTMAS 2022

A MESSAGE FROM THE HEADTEACHER

Dear Parents, Guardians & Friends,

In 2016, after our last Ofsted inspection, I stood up in assembly and told the pupils that my main goal was to provide the best facilities for our community. It has taken six long years and our complete rebuild will start in the new year. We have completed the planning, to create the most modern, "state of the art" school in Lancashire. All Saints' will thrive for the next 60 years in buildings that we will be proud of.

It was a joy to be part of the communal liturgy with our partner primary schools and the local clergy, whilst our inspectors were in the school!

The music, readings and dancing were led by the talented pupils and it highlighted the creative worship that demonstrates our Catholic life. I hope all our families can share in the festive celebrations in the local parishes.

A reminder to our Year 11 parents, that now is the time to focus on learning and revising for the upcoming summer examinations. Small chunks of effective revision will pay dividends in the future. If you are contemplating where to send your sons and daughters next year, we are fortunate to be the only school in the district to be a feeder school to Holy Cross College, Bury.

Can we keep in our prayers, all our families who are finding the financial squeeze, a major issue. If we can help in any way, just contact the school

Thank you for your wonderful support. I would like to take the opportunity to wish each of you, a restful, happy and holy Christmas and a New Year full of blessings.

Yours faithfully, Brian McNally - Headteacher

On Tuesday 13th December, pupils and staff enjoyed a delicious Christmas Dinner. The canteen was decorated and Christmas music played whilst we tucked into turkey and all the trimmings. Thank You to our fabulous kitchen staff for all their hard work to make this annual event extra special!

A MESSAGE FROM THE EXECUTIVE HEADTEACHER

WOW! What a term! I cannot believe that 14 weeks have gone by so fast and we finish on Friday for the Christmas break! I want to start by thanking all the staff, pupils, parents and governors for making me feel so welcome since I started working with the school on 5th September.

As a whole school community, I believe we have achieved much in this term and it was lovely for Ofsted to recognise this in our Section 8, 2-day, ungraded inspection last week. The findings and draft report will now be quality assured and a draft report will be shared with the school in 20 working days to check for factual inaccuracies and in 30 working days the report be published on both the school and Ofsted websites.—we expect this will not be until the 1st week of February 2023.

It was so lovely to see the whole school community pull together during what were an intense and demanding 2 days for all concerned. The challenge now for staff and pupils is to work towards ensuring that we are all at our very best every day and not just for a 2-day Ofsted inspection!

The overall judgements and report remain confidential until they are published but we can tell you that we are all delighted with the result and it is the best possible outcome for the school. All the hard work this term was worthwhile but we cannot be complacent and the rapid school improvements we have made this term must continue into the spring and summer terms.

Many thanks for your support with school uniform standards and behaviour. We still have much work to do, but we can all be proud of the improvements we have made as a school community. We are confident that by all working together we can make All Saints' an even better school than it is already.

We expect all girls to wear their skirts at a full length and not roll them up. We expect pupils and staff to follow the school behaviour policy so every pupil feels safe and looks forward to coming to school each day. This also ensures that teachers can teach and pupils can learn. Our big school drive next term will be to ensure all pupils attend school on time each day unless there is a very good reason not to do so!

All being well, I would also like to inform you that I have agreed to be at All Saints' for 3 full days a week from 3rd January until the end of the summer term.

Have a restful and happy Christmas and best wishes for 2023.

Mr X. Bowers, Executive Headteacher

Our annual prizegiving ceremony took place on 10th November. Our guest speaker was Hannah Bones and her speech was both inspiring and amusing.

Certificates, subject awards and special awards were presented to a wide selection of pupils who supported each other wholeheartedly, just as they had done in their five years at All Saints'.

We wish the Class of 2022 well in their future endeavours!

MESSAGES FROM THE RE DEPARTMENT

As we journey through Advent, we prepare to celebrate the birth of Jesus and welcome Him into our lives at Christmas. The Pope has previously spoken of a 'call to hope'; that despite a world of pessimism and conflicts, we should await the Lord and continue to hope. On Gaudete Sunday, Pope Francis spoke about the importance of kind words and small gestures to help others. These small actions have a huge impact. He reflects on the conflicts and issues that we face as a worldwide community, and as we prepare the way for Jesus, he calls on us to pray before the Nativity scene, that the birth of Jesus will bring a ray of peace to the children of the whole world, especially those forced to live the terrible and dark days of war, in particular the war in Ukraine that destroys many lives of many children.

This term, it has been busy. We began our new academic year welcoming our new RE teacher, Miss Kenwright. Miss Kenwright has worked at St Peter's in Manchester and has joined us from Bolton St Catherine's Academy. She has made a positive impact in the Department and it is great to have her on the team.

In October, we welcomed our feeder primary schools to our Valley Chaplains' Training Day. This event was wonderful and it was great to work with all the members of our Catholic cluster. Particular thanks to Miss Weldon from St Peter's who led the workshops. We ended the day with our Valley Mass, where Fr Chris McGrane and Fr Simon Stamp co-celebrated Mass and commissioned our new Chaplains.

In November we held a remembrance service to remember all those who have lost their lives and those who have been affected by war. Many thanks to Leo Stemp in Y10 for leading us in the 'last post'. It was a wonderfully respectful and reflective service.

We began the season of Advent with assemblies and reflections centred around the theme of 'hope' for the first week of Advent. On 7th December we hosted the Joint Schools' Advent Liturgy. Again, it was wonderful to be joined by our Primary schools and we went on a journey through the Nativity story, where each school contributed a reading, reflection, song or dance. Thank you to all the pupils who were involved. It was a lovely event.

We have been completing our Christmas Hamper appeal for RAFT. Each form has been bringing in items to go into a Form Hamper. These will be used by RAFT, our local food bank, and delivered to families in and around our local community. Deadline for these is 12th December.

Year 11 have completed their PPEs. Please keep them in your prayers as they begin to prepare for a second set of PPEs in February and their final examinations, which will begin in May.

On behalf of the Department, we wish you all a happy and Holy Christmas,

Mr A Sidlow, CL Religious Studies

A NIGHT AT THE MUSICALS

I was walking down the school corridor and I saw a poster for auditions for the school show. I decided to go along to the music room and find out more. I found a crowd of people gathering. I didn't really know many of them, but it sounded like something I would regret missing, so I got involved. Rehearsals weren't for the faint hearted. We practised for months every Tuesday and Thursday after school and even came in to rehearse on a Saturday. Miss Padwell and Mrs Hindley ran a tight ship, but they made it fun for everyone and it definitely paid off.

It was the first night of the show and I was filled with nerves and excitement. I couldn't wait to perform in front of a full house packed with family and friends of All Saints'. On the first night there were 4 generations of my family watching. The show was amazing, and we all did brilliantly. There were many appearances from the staff too which was great. My great grandads' false teeth almost fell out when Mr Parkes came on stage dressed as Sandy from Grease.

I made many friends along the way, some that I never expected to be friends with and I really enjoyed the full experience while making some great memories. There are so many reasons you should get involved in these great after-school opportunities that the staff provide us with.

Already looking forward to the school show 2023!

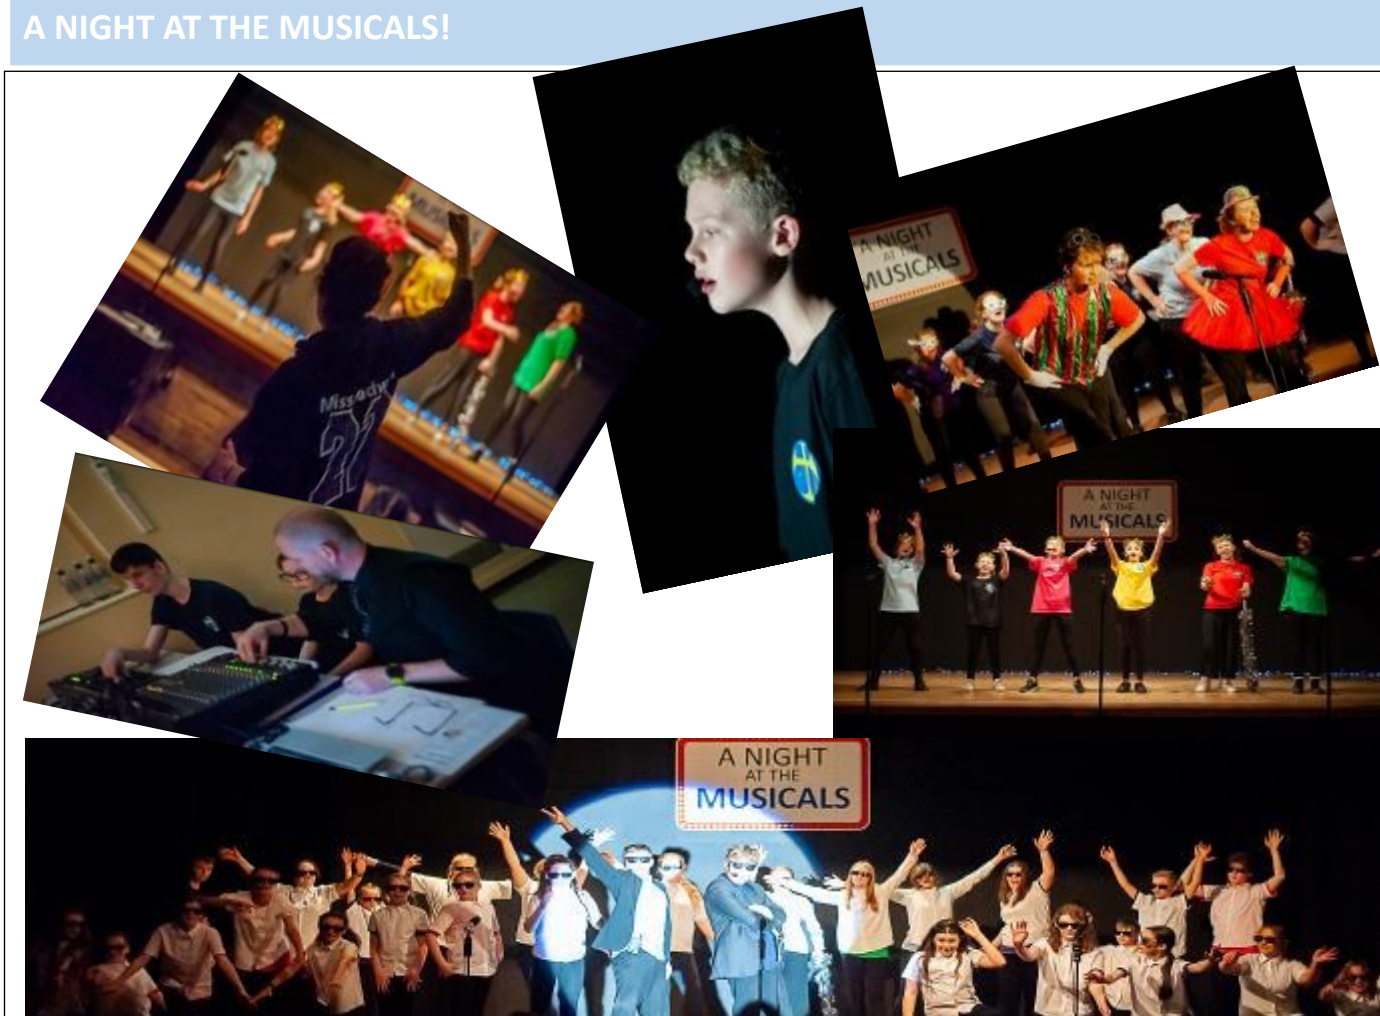

Stanley Lumb,
Year 9

A NIGHT AT THE MUSICALS!

Mrs Hindley and I are so proud of the pupils involved in the school show; from those performing on stage to those who helped backstage. Thank you to the school community for supporting our first school show since covid with 2 sell out nights! We are already discussing what show we will perform in 2023 so watch this space!

Miss Padwell

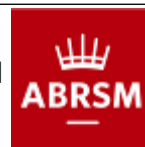

On 14th December the performers and the back stage crew were invited to watch a recording of the show while enjoying pizzas and treats!

News from the Music department!

A huge Congratulations to Florence Storey for achieving Grade 2 Theory with distinction and Gracie Wilson for passing her Grade 4 Theory.

NEWS FROM THE PE DEPARTMENT

This half term, in both KS3 and KS4, the girls started with football and finished the half term with basketball. Due to the weather we were unfortunately stuck indoors for football but will be getting out onto the fields in summer. Although indoors, the girls still learnt a variety of skills— particularly focusing on passing, dribbling and performing these under pressure in a game situation. For the last 3 weeks of term girls' PE then moved onto basketball where they have learnt about shooting (use of the back board and jump shots), dribbling, defending/blocking, the rules of a game and particularly how these rules differ to netball (which they covered in September). Well done to all the girls this half term and I hope you enjoy your well deserved Christmas break.

Miss Hill, PE Teacher

Year 10 Rossendale Schools **Netball Competition**

On Monday 17th October 2022 the year 10 netball team took part in the Rossendale Schools' Netball tournament held at BRGS. The schools that entered were All Saints', BRGS, Haslingden 1 and 2, TVLA, Alder Grange and Whitworth. All Saints' first game was a close game against BRGS which finished with them winning 4-3 after them just scoring to take the lead on the final whistle.

After suffering a defeat in their warm-up game the year 10 team came fighting back, they took all the feedback given on board and went on to win their next 2 games against Haslingden 2 (7-1) and TVLA (9-0); they then drew with Alder Grange (3-3). The final game of the tournament was against Haslingden 1 and unfortunately the All Saints' team lost their last game 5-3 to a team they had previously beaten in training. Overall the year 10 team came third which was an excellent achievement and hopefully next year they can go on to follow in the footsteps of the year 11's and win it.

Well done to the 8 players: Ella Lucking, Amelia Braithwaite, Lily Edmondson, Libby Melia-Miller, Gracie Bewley, Hannah Parker, Grace Russell and Kate Shaughnessey. Well done to the team!

Table Tennis Club

A big well done to our table tennis regulars who attend the club with Mr. Young on Thursday afternoons.

We have boys and girls from Y7-11 developing their skills and the rapport they have with one another at the club is superb.

Newsletter

NEWS FROM THE PE DEPARTMENT

On Thursday 3rd November the year 9 netball team competed in the Rossendale Schools' Netball Tournament at The Valley Leadership Academy. Their first match was against BRGS and All Saints' were unlucky to concede a goal in the final minute meaning the game finished 2-1 to BRGS.

All Saints' second match was against Alder Grange, the team worked extremely hard but unfortunately lost 5-1. Next up was Haslingden High School, who finished the winners overall and All Saints' lost 8-0. The final two

matches were against TVLA and Whitworth. The netball team worked with all feedback given and kept their spirits high. This paid off as they beat TVLA 8-1 and Whitworth 2-0.

Well Done to the whole team; Bella (Captain), Freya, Lexi, Summer, Corey and two year 8's who stepped in at the last minute, Ellie and Lois.

Match report written by year 9 netball team coach Gracie Wilson

A big thanks to Gracie Wilson and Nell Vaz Te. The two year 11s were yet again excellent sports leaders. Gracie coached the team and Nell umpired every match.

U16's English Schools Basketball Competition against Clitheroe Grammar School

The game started off strong with good blocks from both teams. Zara scored All Saints' first goal with an excellent shot. It was all level after the first quarter at 4-4 due to an equalizer from Zoe. In the second quarter All Saints' worked really well as a team and worked on their blocks, rebounds and passing ending this quarter 3 points up on CG. The third quarter was tough and both teams really stepped up their game. Zara, Zoe and Libby all made some great shots. Florrie did some excellent blocking, Shaznay was like a kangaroo jumping and intercepting the ball from some very tall players and Lydia was fantastic, dribbling the ball with speed down court. As we only had 6 players, we only had one rotating sub which meant in our final quarter they had an advantage over us as they had more rest time. Miss Hill tactically called a time out so the team had an extra 2 minutes to catch their breath and have a drink. This helped the team recharge and go on to win the match 16-15. It was an excellent game with great team work and levels of skill from both teams. Well Done All Saints' for winning and making it to the Semi-Finals!

Team: Lydia Jowett, Zara Fleming, Zoe Johnson, Libby Cowking, Shaznay Hartley and Florrie Butterworth

NEWS FROM THE PE DEPARTMENT

It has been an extremely busy and productive term in boys' PE.

Y7 - The new Y7 cohort have settled in really well to PE and despite their only being 38 boys in the year group, attendance at lunch clubs is pleasing. The boys' footballers have shown resilience and improvement as they continue to gel as a team. The lads suffered a heavy home defeat in the first round of the ESFA Cup to Whitworth but improved significantly in a narrow 3-2 defeat to TVLA - goal scorers were Junior Smith and Alfie Bryan. Jude Hancock was Man of the Match. The lads have also competed superbly in Rossendale 7-a-side and 5-a-side competitions - finishing above BRGS and TVLA in the 5-a-side competition. The lads have also participated in a Y6/7 transition football event at Whitworth HS and represented school brilliantly.

Year 7 five-a-side team

Y8 - The Y8 footballers crashed out of the ESFA and Lancs Cup competition at the first hurdle due to defeats to Whitworth and Holy Cross, Chorley, respectively. The lads got their first win on the board with a 4-2 victory at TVLA thanks to a brace from Oscar Barker, a goal from McKenzie Cashinella and a penalty from captain - George Sadler. Goalkeeper Alfie Bramwell was on inspired form and picked up Man of the Match.

Y9 - The rapidly improving Y9 footballers made an unbeaten start to the season thanks to a 3-3 draw at TVLA - goal scorers were Regan Felton, Carson van der Merwe and a stunning free-kick from Milo Hampson. The team then followed this with an impressive 2-1 away at Whitworth in horrendous conditions. Rory Greenwood opened the scoring before a late own goal won it for the Saints'. Regan Felton was Man of the Match.

U16s Football Team

U16s football - The U16s boys' footballers had an eventful 2nd Round ESFA tie away at All Hallows School in Salford. After racing into a 4-2 first half lead thanks to a Seth Williams hat trick and Finley Brogan penalty, our opponents used some very cynical tactics to get themselves back in the game before eventually winning the tie 6-4. The team bounced back with a comprehensive 6-0 win away to TVLA thanks to a Finley Brogan hat trick, two goals from Jude Starkie and one from Patrick Hernon.

All Saints' Roman Catholic High School

Newsletter

NEWS FROM THE PE DEPARTMENT

In **Basketball** the school has entered three teams into the Lancashire Cup for the first time ever. The U14s boys have had a 100% winning start in the competition thanks to wins over Haslingden High (52-12), Alder Grange (36-28) and BRGS (57-24). Joseph Richardson has led the way in terms of points scored but the whole squad has contributed to the team's success. A big well done to Imran Miah, Lucas Hamer, Regan Felton, Max Sullivan, Adam Lee, George Sadler, Oscar Barker, Kai Lloyd, Carson van der Merwe, Alex Colquhoun and Joseph Richardson. The team have now qualified for the quarter finals which will take place after Christmas.

The U16s group campaign has been mixed in terms of results but very high in quality. The lads have lost to strong teams from Haslingden 'A' and BRGS (46-39 and 48-26 respectively) but had a thumping 90-10 win over Haslingden 'B', meaning that a strong win in their final group game against Alder Grange still gives the team a chance of making the quarter finals. Well done to the team - George Richardson, Leo English, Tyler Hewitt, Jack Lee, Finley Brogan, Seth Williams, Harry Hinchliffe, Demid Pearson, Jenson Taylor and Jude Starkie.

U14s Basketball Team

U16s Basketball Team

KS3 PE - This term the boys have worked hard developing their skills in football, rugby union, basketball and table tennis. They have been assessed against our new 'Head, Heart, Hands' criteria which not only focuses on sporting ability but also the sporting values such as respect and teamwork that pupils demonstrate. It also assesses pupils knowledge of rules, tactics and strategies in the sports we cover.

Y10 Sports Leaders - A huge congratulations to Fergus Tomlinson, Stanley Dawson, Charlie Greenwood, Hannah Parker, Lily Edmondson, Mathilda Stopford, Ella Lucking and Charlotte Mckenzie who have undertaken a Rossendale Sports Leaders course and have been helping the School Sports Partnership with primary and secondary sporting events.

Netball Champions

On Friday 4th November the year 11 Netball Champions were rewarded with a Domino's pizza party after school to celebrate their excellent achievement. The team enjoyed spending some time together, listening to music, eating pizza and treats and being congratulated by many members of staff who came down to the party to celebrate with them. Our ex-pupil and netball coach Mairead Graham also gave up her time to join the party and celebrate with the girls as she had run their extra-curricular netball club for them from year 7 through to year 9.

A massive well done to all the team again for their great win!

All Saints' Roman Catholic High School Newsletter

CHAMPIONING GIRLS FOOTBALL!

I play football for Haslingden Girls and Ladies FC (HGLFC), I've played for the club since I was 5 years old and my team the Cyclones are now Under 13s. The club has 16 teams ranging from under 7s and covering every age group through to open age and walking football. We are one of the UK's largest female only football clubs and we are showing many boys clubs & teams how it's done.

We recently entered a nationwide radio competition to write and perform an ode about our club, for the opportunity to win £2,750.00 for the club. The 'ode' was written by one of the coaches, Ben Jones; but I was given the opportunity to recite it and add a little creative licence. We spoke to the producers of the show and they advised to avoid any background noise whilst recording, I should record under my duvet and it worked perfectly.

*Oh what it means to be a Haslingden Girls player,
Getting ready layer by layer,
The thrill when we score and such a high when we win,
What it means to be a player, where do I begin?
Meeting all my mates on a Thursday at training, Taking part and having fun,
even though its been raining,
The grass is all muddy, and my kit is all wet,
No changing rooms to dry off in, at least not yet.'*

It was a real privilege to perform the ode and the opportunity to make a number of tweaks to the words that Ben had written; to hear my voice on national radio and with all the compliments given by the producers and hosts regarding my delivery made me incredibly proud.

Finally, to hear that we won, and can use the £2,750.00 to provide access for girls into a sport that I adore is just an amazing feeling. The Lionesses won the Euro's this summer and this was a huge step in girls' football, but at HGLFC we've been pushing for over 20 years and we are developing some amazing footballers with very bright futures – but most importantly we're making amazing friends and experiences.

www.hglfc.co.uk if anybody is interested in getting involved.

Ellie Brierley 8MT

Coming Soon..... World Book Day 2023.

Once again, this year, we will be fully embracing World Book Day with a range of fantastic activities all designed to get All Saints' reading!

Last year we had competitions, Drop Everything and Read, Bake sales and even a Gothic Horror fancy dress theme.

Watch this space for more information about our 2023 theme...

FORM CAPTAINS

We are proud to present our Form Captains for the coming Year. These are students who have applied via an application form, explaining why they wanted to be the representative for their form and be a voice on the school council.

The successful pupils, were chosen because they embody the qualities we want to exhibit at All Saints'; reliable and responsible; willing to help Form Tutors and Progress Leaders; they are good communicators, confident in themselves and above all they are great role models for their fellow pupils.

Please take a bow the school council for 2022/23

YEAR 11—GETTING READY FOR SUMMER 2023

On 31st October, Year 11 began their first set of Pre-Public Examinations. Their attitude and engagement with these examinations was excellent. They clearly understood the importance of these examinations in preparing for Summer 2023.

Year 11 will have now received their grades from these examinations; they will also have received their report. Over the last two weeks all Year 11 pupils have received 'diagnostic feedback' (Personal Currency Plans) based on those examinations.

They should now know exactly what their focus should be for Christmas revision and as they start back in January. We know that Year 11 can be stressful and therefore we know that the focus we provide our pupils needs to be as 'exact' and 'specific' as possible.

Next steps: the second set of Pre-Public Examinations begin on the 20th of February (7 school weeks). **Good luck Year 11!**
