20th February 2023

Dear Parent / Guardian

I am writing to inform you of plans we will be putting in place to future safeguard the safety of pupils arriving at and leaving school each day. We want to activate and routinise these arrangements well in advance of the obvious disruption and heavy works traffic that will result when, fingers crossed, the new build commences this summer.

All pupils access, by foot, via the road entrance to All Saints' will stop from Monday 27th February. All gates this side of the school will be locked. Pupils will only be able to access and leave school by the footpath off the main road, by the bus stop. The gate at the bus stop entrance will be locked at 8.45am and unlocked just before the end of the school day. Parents / Guardians will need to drop off and collect their students near this entrance.

If a pupil arrives after 8.45am, needs to be collected during the school day or is dropped off due to vulnerability / accessibility issues they will have to use the car park entrance and press the reception button.

Can I thank you in advance for your support and co-operation with this new, but much more safe and sensible, access and exit strategy.

Take care.

Steve Wilson

Head of School
